

Brockport Ecumenical Food Shelf 2016 Annual Report

Dear Friends,

Thank you for making 2016 another remarkable year for the Food Shelf. This year marks four and a half decades of service to the Brockport community.

A few of the highlights:

- An average of 160 households served each month
- Extra food distributed to families with children during the summer break
- Extra holiday food items provided in November for Thanksgiving dinner
- Extra food distributed in December for a special holiday breakfast
- More fresh fruit and vegetables given out every month of the year
- Continued support of the Backpack Program in the Brockport School District
- An increase in food drives held throughout the year
- Enthusiastic volunteers always available for whatever needs to be done

We look forward to another year where we continue to provide nutritious food to all in need as we work together to eliminate hunger in Brockport.

I wholeheartedly thank you for being a part of our programs.

Sincerely,

Kathy Hayes
Executive Director
